

LIBERAL ISCHOOL PITCH DECK

October 2018

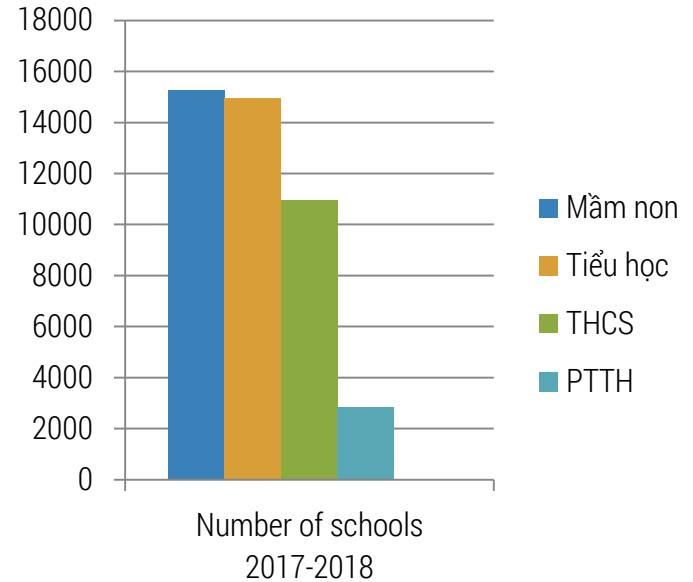

Storyteller Vietnam Education

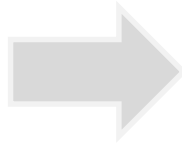

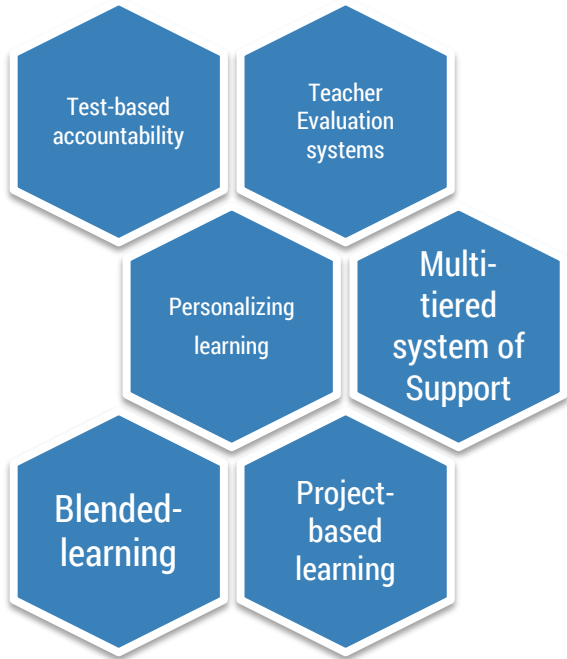

43.966 school from kindergarten to high schools do not have good enough school information platform

Education standard is always go slower than average life measure.

- . Simple foundation
- . Solely communication channel
- . No efficiency

Explorer: School Improvement Initiatives

At the Center of most of reforms: Teacher

Teachers are at the heart of all school improvement initiatives

RISK TAKER LIBERAL

liberal iSchool

Design and deploy by JOBS TO BE DONE framework

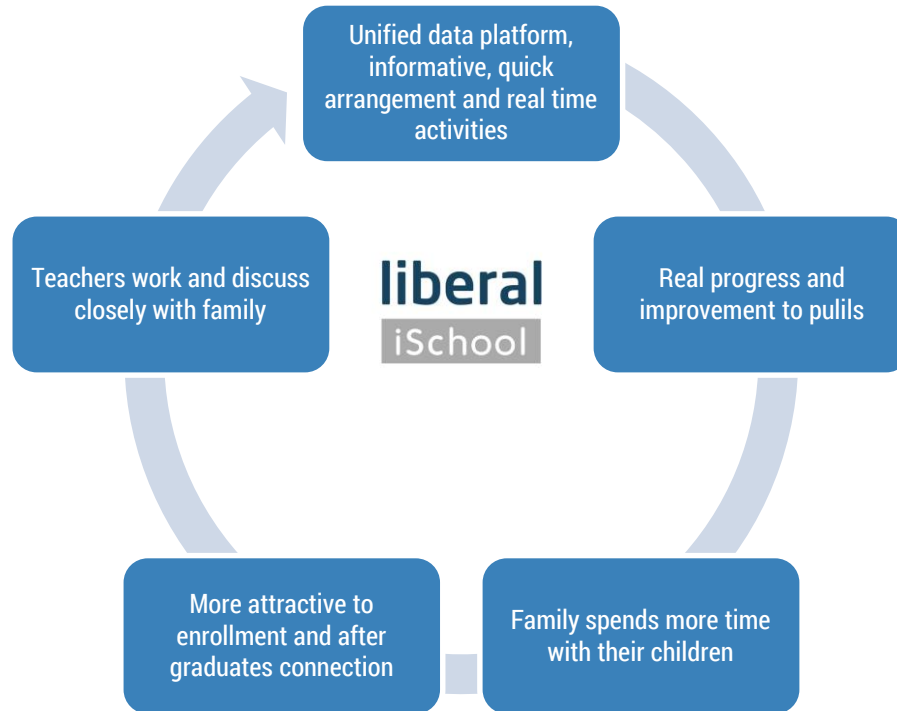

Not only a product, but also a process school and teachers go through

Not only what is, but also what ought to be

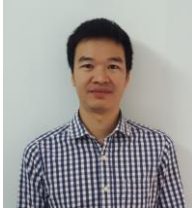

Work in more than 500 schools x 4 years average

In Vietnam, Thailand, Cambodia, Laos and Korea

What schools ought to be
